Vayselle/Citronel Update

Our inventory of Citronel is now depleted for all sizes.

New 1 L Sleeves

Introducing our new plastic sleeves. These sleeves have been designed to be more attractive, with bold and vibrant colours, helping to make the user's experience more enjoyable.

The sleeves are on the following 1L products: Aqua Scrub, Blu-Lite, Blu-Lite Plus, Hi-Genic, Nitro, Polar, Presto, Strate Flush, Vayselle.

EcoLogo's New Look!

EcoLogo Canada has launched a new logo that will be appearing on all of our environmental CCD approved products. This new logo helps to identify quickly and easily what products are ecological.

It is recognized world-wide and is North America's largest, most respected environmental standard and certification mark. EcoLogo provides assurance that the products bearing the logo meet stringent standards of environmental leadership.
