Subject: EcoLogo Certified Products

The EcoLogo Program is North America's most respected and established life-cycle based environmental standard and certification mark. An ISO 14024 program, the EcoLogo program provides third-party proof to purchasers – public, corporate and consumer – and assurance that the products and services bearing the logo meet stringent environmental standards.

I am pleased to confirm that the following products from Dustbane Products Limited comply with the requirements of the EcoLogo<sup>M</sup> Program:

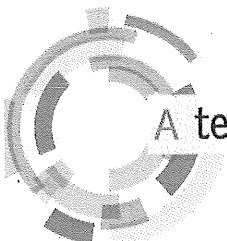

Product Name	Brand Name	Sizes	CCD
Oxy D.S.T.	Dustbane	2 L	146: Hardsurface Cleaners

Dustbane Products Limited is licensed to use the EcoLogo<sup>M</sup> on the product listed above, in accordance with the terms of your license agreement and the *Guide to the Proper Use of the EcoLogo<sup>M</sup>*.

"Being certified to any of the EcoLogo standards is a significant accomplishment. It means a product has met one of the strict EcoLogo standards and has, therefore, proven its environmental leadership", says Scot Case, Executive Director of the EcoLogo Program.

Sincerely,
