Excellent stain remover that combines Dustbane's Dynamic Surfactant Technology and Oxygen Bleach.

Code: 53758 (750 mL)  
53759 (4 L)

### Bio-Bac

#### Bio-Based Cleaner & Deodorizer

CCD-110 Approved

Perfect for removing stains and odours caused by organic wastes and fluids.

Code: 53762 (4 L)

## Foam Suppressor

### De-Foam

#### Foam Suppressor

Designed to dissipate foam in the recovery tanks of extraction carpet cleaning equipment, wet pick-up vacuums and automatic scrubbers, DE-FOAM protects equipment and lowers labour costs. No mixing required, simply add directly to the recovery tank.

Code: 53156 (5 L)

## Carpet Protection

### Barricade

#### Anti-soil Carpet and Upholstery Spray

Contains Dupont's Teflon which forms an invisible shield and prevents soil and stains from adhering to fibres. This barrier allows for effortless clean-up, therefore labour savings are achieved.

Code: 53791 (5 L)

## Interim Cleaning

### Dri-Foam

#### Rotary Carpet and Upholstery Shampoo

For use with rotary shampooing equipment or dry foam cleaning techniques, DRI-FOAM's high foaming surfactants and safe solvents pull deeply embedded soils to the surface of the fabric for easy removal. The "dry" foam ensures minimum wetting of fibres, quick drying and short down-times.

Code: 53042 (5 L)

### Meteor

#### Bonnet Carpet Cleaner

A specially developed concentrated carpet cleaner designed for maintaining traffic areas that require very short drying time. METEOR's combination of solvent and detergent quickly penetrates and loosens dirt and soils.

Code: 53797 (4 L)
