Mr Peter Forster
Dustbane Products Limited
25 Pickering Place
Ottawa ON K1G 5P4

Dear Peter:

We recently started using Dustbane's Environmental Choice certified line of cleaning chemicals. I can tell you that not only do they work but they save us money too! The product line exceeded our expectations in every way.

If any of your other customers are thinking about making the switch to "Green" cleaning chemicals they owe it to themselves to give Dustbane a call.

Thanks again for introducing us to this part your product line.

Sincerely

Chris Longpres
