

The Dustbane Way

Cleaning a Break Room

Cleaning a break room starts with a simple program. Ask us about a custom program that will meet your individual needs. Here's our baseline recommendation.

1 Triple Action Multi

Clean, degrease and disinfect on the go, with a single wipe. Wipes offer many advantages over traditional cleaning methods; one being that wipes are wetter than cloths, allowing for a longer dwell time of active ingredients, offering superior cleaning performance.

- Clean hard surfaces that need disinfecting, including, tables, counters, the interior of microwaves, etc.

4 Passive Air System: Air Max and Air Flex

Offers consistent and powerful odour control. Designed for a month long performance, it out performs gels, wicks and aerosols.

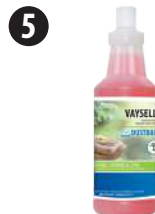

- Available in mango, cotton blossom and cucumber melon.

2 Glass & Stainless Steel Cleaner: Azure

Bring the outdoors in by making your windows invisible. Azure cleans windows effortlessly without any streaks or haze. UL ECOLOGO® Certified, it contains no ammonia. Also works great as a general surface cleaner.

- Dilute in cold water at a rate of 1:16
- Available in 750 mL (RTU) & 4 L.

5 Dish Soap: Vayselle

Vayselle's formula is tough on grease and fat and leaves dishes sparkling clean while being mild on hands. UL ECOLOGO® Certified

- Available in 1 L, 4 L & 20 L (RTU).

3 Hand Soap: Tradition Plus

Washing your hands on a regular basis is essential in reducing the spread of germs. Use with the open top dispenser to reduce the amount of soap dispensed by more than 50%. UL ECOLOGO® Certified.

- Available in 4 L.

6 ECOLOGO® Floor Care System

Get outstanding looking floors with this trio. Strip with Time-Out Plus, seal using Foundation and complete the process by using Orbit as a floor finish.
