## Cleaning a Change Table

Cleaning a change table starts with a simple program. Ask us about a custom program that will meet your individual needs. Here's our baseline recommendation.

1

### Disinfecting Wipes: Eliminate

Eliminate wipes make it easy to clean and disinfect changing tables after each use. Their convenience will encourage people to use them regularly as a way of preventing a dirty appearance and therefore maintaining the sanitary standards of an establishment. DIN: 02459507.

- Ready-to-use.
- 6" x 7" wipes (180 wipes per container).

2

### Disinfectant and Sanitizer: Disinfect

Ready-to-use Disinfect is effective against a number of bacteria and viruses, such as Norovirus, that can be spread from a contaminated change table. Always remember to pre-clean all surfaces prior to disinfecting or sanitizing. DIN: 02505320.

- Available in 1 L & 4 L.
