4

### Mini Spotter

The Mini Spotter is a convenient and portable way to clean stains quickly and efficiently. Sprays and recovers its own cleaning solution.

- 3 gal tank capacity.

5

### Victory Handheld Sprayer

With a large volume of travellers, buses can become heavily contaminated with other germs and illnesses. The Victory Electrostatic Sprayers use static electricity to charge up the dispensed chemical in the tank, so the product will stick to the desired surface and wrap them entirely in chemicals for thorough disinfection.
