

The Dustbane Way

Cleaning a Concession Stand

Cleaning concession stands starts with a simple program. Ask us about a custom program that will meet your individual needs. Here's our baseline recommendation.

1

Degreasing & Disinfecting Wipes: Triple Action Multi

Concession stands can get very busy and keeping up with the cleaning can become challenging. It only takes one dropped hot dog or spilled soda to ruin the counter and display at your stand. Having cleaning wipes readily available will allow your team to attend the spills quickly. DIN: 02452723.

- Ready-to-use.
- 7" x 8" (120 wipes per container).

2

Sanitizer: Quatromycide II

Sanitizing surfaces is of the outmost importance in the food service industry in order to prevent foodborne illnesses. Always remember to pre-clean all surfaces prior to sanitizing. Quatromycide II is a no rinse sanitizer ideal for that type of application.

- Ready-to-use.
- Available in 750 ml (RTU) & 5 L.

3

Gladiator 464

Walk behind sweeper perfect for collecting small debris such as popcorn and candy.

- Quiet and not disruptive.
- Up to 2.5 hours of runtime
- 25" sweeping path.

4

Targa 990

Our most popular model, this wet/dry pickup canister vacuum will work well in tight spaces and handle any cleaning job such as spilled beverages.

- Rugged, non-corrosive construction and chemical resistant.
- CRI Certified.
