1

Degreasing & Disinfecting Wipes: Triple Action Multi

Daycares can get dirty very quickly and are a breeding ground for bacteria. Using Triple Action Multi Wipes is an easy way to clean toys and books, keeping them free of dirt, germs and bacteria to help prevent the spread of diseases. DIN: 02452723.

- Ready-to-use
- 7" x 8" (120 wipes per container)

2

Sanitizer: Quatromycide V

Daycare surfaces are a perfect spot for germs to grow. Disinfection is essential to maintain a cleaner and healthier environment for children. DIN: 02507064.

- Dilute in cold water at a rate of 1:160.
- Available in 4 L.

3

Floor Cleaning: Targa 330

This dry pickup canister vacuum will work well in tight spaces around furniture.

- Rugged, non-corrosive construction and chemical resistant.
- CRI Certified.

4

Victory Electrostatic Sprayers

With so many surfaces that can become contaminated with germs and illnesses – it can be hard to keep up with the disinfection. The Victory Electrostatic sprayers use static electricity to charge up the dispensed chemical in the tank, so the product will stick to the desired surfaces and wrap them entirely in chemicals for thorough disinfection – making it easier than ever to fully sanitize a playroom.
