

The Dustbane Way

Cleaning a Gas Station

Cleaning a gas station starts with a simple program. Ask us about a custom program that will meet your individual needs. Here's our baseline recommendation.

1

Cleaner/Degreaser: Power Klean

A non-butyl water-based cleaner and degreaser intended for use on any surface where grease and oil residue are a problem.

- Clean surfaces such as gas pumps, platforms, garbages, etc.
- Available in 750 mL (RTU) & 5L.

3

Sanitizer: Quatromycide II

Sanitizing surfaces is of the utmost importance for gas stations in order to prevent the spread of germs and dangerous substances. Always remember to pre-clean all surfaces prior to sanitizing. Quatromycide II is a no rinse sanitizer ideal for that type of application.

- Ready-to-use.
- Available in 750 mL & 5 L.

2

Glass & Surface Cleaner: Azure

Azure cleans windows and display screens effortlessly without any streaks or haze. UL ECOLOGO Certified, it contains no ammonia. Also works great as a general surface cleaner.

- Dilute in cold water at a rate of 1:10
- Available in 750 mL (RTU) & 4 L.
