Cleaning a Pub

Cleaning a pub starts with a simple program. Ask us about a custom program that will meet your individual needs. Here's our baseline recommendation.

1

Multi-Purpose Cleaner: Triple Action

Cut down on the amount of products required to clean your pub. The use of Triple Action as a hard surface cleaner will clean, degrease and disinfect in one easy step. Reduce your chemical inventory while still obtaining the cleaning results you strive for. It will take care of the sticky mess in no time. DIN: 02322110.

- Available in wipes, 750 mL, 5 L & 20 L.

3

Stain Remover: Eco-Expert

Booth seating attracts dirt and gets stained quickly, which can easily be transferred to your customers' clothing. Using Eco-Expert will not only remove stains quickly but will leave the area smelling fresh. UL ECOLOGO Certified.

- Dilute in cold water at a rate of 1:125.
- Available in 4 L & 20 L.

2

Glass and Chrome Cleaner: Azure

Maintaining a clean and welcoming pub is crucial to attracting new customers and maintaining the loyalty of your current customer base. Keep your windows, mirrors, chrome and stainless steel sparkling clean and streak free. APE, VOC and ammonia free. UL ECOLOGO Certified.

- Dilute in cold water at a rate of 1:16.
- Available in 750 ml (RTU) & 4 L.

4

Mini Spotter

When there is food involved, stains can occur easily. The Mini Spotter is light and portable, making it ideal for the removal of stains on seating booths and carpets.

- 3 gallon capacity.
- Sliding handle for easy transportation.
- Removable recovery tank for easy disposal of solution and soil.
