Cleaning a Reception Area

Cleaning a reception area starts with a simple program. Ask us about a custom program that will meet your individual needs. Here's our baseline recommendation.

1

Multi-Purpose Cleaner: Excelsior

Reduce the amount of products required to clean your reception area. The use of Excelsior as a general purpose hard surface cleaner will minimize your chemical inventory while providing the cleaning results you strive for. UL ECOLOGO Certified.

- Dilute in cold water at a rate of 1:64.
- Available in 4 L & 20 L.

2

Glass and Chrome Cleaner: Azure

An immaculate lobby and reception desk is your chance to make a first good impression. It sets the tone for the rest of your facility. Keep your windows, mirrors, chrome and stainless steel sparkling clean and streak free. APE, VOC and ammonia free. UL ECOLOGO Certified.

- Dilute in cold water at a rate of 1:16.
- Available in 750 ml (RTU) & 4 L.

3

ECOLOGO Floor Care System

Get outstanding looking floors with this trio. Strip with Time-Out Plus, seal using Foundation and complete the process by using Orbit as a floor finish.

4

Targa 990

Customers may base their opinion on the quality of an establishment by the appearance of its reception area. A wet/dry pickup canister vacuum such as the Targa 990 is highly effective for debris pickup and will help prevent slip and falls accidents.

5

Integra Dual Speed Polisher

Nothing makes a better impression that clean, shiny floors. Designed for optimum performance and increased productivity, while reducing cleaning costs.

- Height adjustable handle.
- Easy to use, two finger operation.
