

The Dustbane Way

Cleaning the Restrooms

Cleaning restrooms starts with a simple program. Ask us about a custom program that will meet your individual needs. Here's our baseline recommendation.

6 **Hand Washing: Tradition Plus**
 The emollient containing formula of this foaming hand cleaner leaves hands feeling smooth and soft. UL ECOLOGO Certified.

- Use with an open top dispenser
- Reduce soap waste by more than 50%

Urinal Screen: 3D Shield
 Its unique post and lattice design eliminates 99% of splashback and installation errors.

- Over 30 days of odour control
- Also available in fragrance free

1 **Tile & Grout Cleaner: Blu-Lite Plus**
 Humid and moist environments are breeding grounds for mold and mildew. Grout, being porous, absorbs the water below the surface and carries these contaminants below the surface, which can lead to discoloration and the appearance of being dirty.

- Dilute in cold water at a rate of 1:40.
- Available in 1 L & 4 L.

4 **Drain Cleaner: Bio-Bac II**
 Malodours in washrooms and shower stalls are far from appealing to patrons. Drains are one hiding place where germs can lurk. Bio-Bac II's enzyme based formula will eat away the odour causing bacteria. UL ECOLOGO Certified.

- Use concentrated.
- Available in 4 L.

2 **Disinfectant Cleaner: Blu-Lite Plus**
 Germs are spread incredibly easily especially in public areas. More patrons means more germs – and as these patrons head to the restroom to freshen up, they must be extra clean. The use of a disinfectant cleaner will ensure your surfaces are germ free.

- Dilute in cold water at a rate of 1:40.
- Available in 1 L & 4 L.

5 **Drain Opener: Nitro**
 Most restroom drain clogs result when dirt, skin flakes, and especially hair binds to soap scum on the walls of drain pipes. Over time, this gunk accumulates and reduces water flow and can lead to flooding. Nitro clears the toughest clogs quickly and safely.

- Use concentrated.
- Available in 1 L.

3 **Bowl & Urinal Cleaner: Quick Fix**
 Malodours in restrooms are frequently caused by urine stains – the main culprits – toilets and urinals. Quick Fix removes stubborn hard water stains, rust and mineral deposits for the deepest clean.

- Use concentrated.
- Available in 1 L.

6 **Glass Cleaner: Azure**
 All establishments must maintain cleanliness in order to attract and retain customers. As it is human nature to look at ourselves in the mirror, this surface must be kept spotless to preserve a clean appearance. UL ECOLOGO Certified.

- Dilute in cold water at a rate of 1:16.
- Available in 750 mL (RTU) & 4 L.
