

The Dustbane Way

Cleaning a Transit Station

Cleaning a transit station begins with a simple program. Ask us about a custom program that will meet your individual needs. Here is our baseline recommendation.

Film Away
This neutral detergent safely removes salt stain residues. UL ECOLOGO® Certified.
• Available in 4 L.

1

Cleaner and Degreaser: Emerald

Grease and grime tend to build up on surfaces and escalators. Choosing the right degreaser that leaves no film is very important. With its safe yet powerful formula, Emerald is a multi-purpose cleaner and degreaser that cuts through grease, oil and heavily soiled surfaces. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:128.
- Available in 750 ml (RTU), 4 L & 20 L.

4

Targa XL 18 Tip & Pour

Cleaning debris that have accumulated in a transit station requires a good performing, high capacity vacuum. Dustbane's Targa Series dry or wet canister vacuums get the job done quickly and efficiently. The Targa Series is made in Canada and takes advantage of a Clean Air Filtration system.

- Rugged, non-corrosive construction and chemical resistant.
- Other sizes and formats available.

2

Glass and Chrome Cleaner: Azure

Make sure commuters are satisfied with the condition of the station by keeping your windows, mirrors, chrome and stainless steel sparkling clean and streak free. APE, VOC and ammonia free. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:16.
- Available in 750 ml (RTU) & 4 L.

5

Victory + Vanguard Combo

Vanguard is a powerful cleaner and disinfectant that can inhibit the growth of microorganisms in high-touch areas commonly used in transit stations. When used with the Victory series, Vanguard can be properly distributed in all crevices and corners of contaminated surfaces to ensure all areas achieve proper disinfection and remove unwanted odours.

3

Graffiti Remover: Doodle Buster

Quickly and safely remove graffiti, marker and ink stains from multiple surfaces without the need for heavy duty graffiti removal equipment. UL ECOLOGO® Certified.

- High foaming formula provides optimal coverage.
- Available in 1 L (Ready-to-use).
