

Vayselle

Gentle on hands, tough on grease

About this product

Concentrated formula and an excellent degreaser. This handwashing dish detergent penetrates through grease, dried food on dishes, glasses, pots, and pans. Its neutral pH, biodegradable formula is tough on grease and fat and leaves your dirtiest dishes sparkling clean. Highly concentrated – a little goes a long way, allowing you to do more dishes while using less detergent. Its high foaming formula and pleasant scent makes for a more enjoyable experience while remaining mild on the hands.

- Leaves dishes spotless clean
- Suspends grease and soils
- Cleans dishes quickly and effectively
