

3D Shield

Urinal Screen

Applications:

Protective gloves are recommended while using this product. Take 3D Shield out of its packaging and remove the tabs to set your replacement date. Place either side up at the bottom of the urinal. Replace in 30 days.

Benefits:

- Releases more than twice the fragrance than other urinal screens
- Installation takes only seconds and can be inserted both ways to eliminate errors
- VOC compliant
- 100% recyclable
- Releases billions of bacteria that consume malodours
- Reminder date tabs for timely replacement
- Works well in both conventional and waterless urinals
