

Eco Easy Fill

Portable proportioning unit

Applications:

No need to mix or agitate. Simply insert the straw into the chemical container. Screw in tightly and attach to a water source. The water flows through the unit and venturi pressure pulls the correct amount of concentrate as determined by the built-in metering device and mixes it with water for easy dispensing.

Benefits:

- Accurate dilution control built-in right into the portable unit, preventing any tampering with water to chemical ratios
- Safe chemical handling – eliminates leaks and chemical exposure
- Withstands harsh chemicals
- Colour-coded for easy identification
- Eliminates measure and pour guesswork
- Easy to operate – One-handed operation
- Features a bucket clip and easy locking button
- Cost-effective versus wall-mounted system

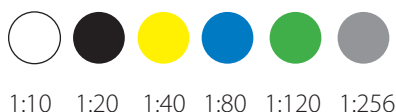

Specifications:

Colour	Various (Depending on dilution)
Flow Rate	3.5 gpm
Dilution	Colour coded
Operation	Manual dispensing
Material	Plastic

Codes:

- **Product Codes:** 51070 (White – 1:10)
51072 (Black – 1:20)
51091 (Yellow – 1:40)
51092 (Blue – 1:80)
51093 (Green – 1:120)
51069 (Grey – 1:256)

Available Dilutions:

Packaging:

- Unit:** 14" x 11" x 2" (35.5 x 28 x 31 cm)
0.28 lbs (0.127 kg)
- Box:** 11" x 11" x 2"
0.4 lbs (0.18 kg)
1 per case
