

Eliminate

One Step Cleaner Disinfectant, Virucide & Deodorizer

Applications:

Do not use as a diaper wipe or for personal cleansing. This is not a baby wipe! Do not flush in toilet. For plastic and painted surfaces, spot test on an inconspicuous area before use. Eliminate will not harm most surfaces: including acrylic, sealed berglass and vinyl. Do not use on unpainted wood. Refer to product label for proper application methods.

Benefits:

- One-step disinfectant wipe, with no need to pre-wash or rinse the surface
- Handles daily cleaning and disinfection without requiring additional sprays, sponges or buckets
- Eliminates 99.9% of contaminants in just 15 seconds and complete disinfection in only 4 minutes
- Ideal for use by non-custodial workers
- Eliminates the risk of cross-contamination from the conventional bucket method
- Disposable to prevent the spread of microorganisms and infections
- No harsh bleach scent
