

Orang-A-Tang

Multi-Use Solvent

Applications:

Apply with a cloth, sponge or sprayer. Allow to work for several minutes and then scrape or blot. Repeat if necessary. Wash area with a neutral detergent after the application. To remove carpet adhesive from non-resilient floors, mop on concentrated Orang-A-Tang and allow it to work for 15-30 minutes. Scrub with a brush or broom and pick-up residue with a shovel or absorbent. Repeat as necessary. Wash floor with a neutral detergent and let floor dry thoroughly.

Benefits:

- Ideal to remove gum and adhesive left behind from carpets and tiles
- Fast and easy removal of a wide range of spots and soils, including gum, wax, and tar as well as oil and grease
- Removes grease on automotive parts, tools and garage floors
- Cleans paint brushes, rollers, paint trays and surfaces
- Excellent solvent degreaser
