

Touchless Soap Dispenser

Solid, reliable & stylish soap dispenser

Applications:

An easy to fill, touchless soap dispenser. Its stylish design fits to any decor while remaining a safe alternative to traditional soap dispensers by eliminating physical contact with the unit.

Benefits:

- Easy to use – touchless application
- Mountable for any convenient height
- Encourages proper hand hygiene by making soap easily accessible
- Produces consistent volume with every use
- Made of tough, durable plastic
- Reduces cross-contamination
- Includes wall-mounting hardware
- Battery operated
(requires C (x4) batteries: not included)
