

Portable Carpet Extractor

Revolutionary Design

The 3-gallon system sprays and recovers its own cleaning solution and its revolutionary design incorporates patented features previously unavailable in small extractors. The black carrying handle slides out for easy machine transport and the teflon track ensures a smooth and effortless glide every time. The recovery tank can be separated for easy disposal of spent solution and soil.

Spot and Upholstery Tool

Its convenient 3-gallon capacity provides quick and easy cleaning of spots and stains on carpets, rugs and upholstery. The ergonomic clear view spot and upholstery tool features a high precision spray nozzle.

Ease of Use

The operator-friendly control panel features independent switches allowing individual control for vacuum and pump.
