

Upright Vacuum

Reliable Cleaning

Reliable floor to ceiling cleaning. The Tracker is designed to withstand the demands of professional cleaning and offers years of worry-free use. Sleek with a remarkable design, it offers all-metal high-wear components – handle tube, bottom plate, and brush roll – to support years of use.

Breathe Easy

Features Clean Air Technology allowing only filtered air to pass through the fan and motor system and back into the room. Each vacuum is equipped with HEPA Media vacuum bag for advanced filtration and easy dirt disposal.

Reach Further

The telescopic Power Wand extends cleaning reach by 32 inches to clean shelves, corners and hard to reach areas. A crevice tool stores on board, as well as a natural bristle dusting brush that gently cleans baseboards and blinds.

Specifications	Tracker
Model Number	71000
Dust Bag	71060 (Pkg. of 12)
Dust Bag Capacity	1 Gal (3.79 L) – 4 Quarts
Filter System	HEPA Media
Suction Power	10 A
Air Volume	120 cfm
Motor Type	Single-Stage / Bypass
